

## MHHA Annual Conference

### 2026 Exhibitors

#### **Accreditation Commission for Health Care, Inc.**

Booth # 22  
*Accreditation*

#### **Advanced RevCycle**

Booth #54  
*Coding & Billing*

#### **AlayaCare**

Booth #43  
*Software*

#### **ArcHouse**

Booth #25  
*ArcHouse is a Pre-Admission platform serving hospice and care-at-home providers in the United States. The platform centralizes inbound referrals, manages the referral lifecycle, proactively gathers and analyzes patient medical records for clinical eligibility, and automates key processes required to admit patients onto service.*

*Hospices using ArcHouse typically see increases in conversion rate and faster*

*time to care for incoming referrals. Operationally, the platform saves an average of one hour (or more) per referral, allowing intake and clinical teams to spend less time on administrative tasks and more time focused on patient care.*

#### **AxisCare**

Booth #33  
*Home Care Software*

#### **AZBilling RCM**

Booth #9  
*Billing Services*

#### **Axxess**

Booth #13
